

## **N40/Sarsfield Roundabout Works**

### **Progress Update – Monday the 25<sup>th</sup> of June 2018**

- Pavement remedial works will be progressed on the western side of the Sarsfield Road Roundabout over this coming weekend. Traffic approaching the roundabout and wishing to head towards the Wilton Shopping Centre or Cork University Hospital will be redirected via the Bandon Road Roundabout. Emergency access will be maintained at all times but the western half of the roundabout will be closed to traffic from 9pm on Friday the 29<sup>th</sup> of June 2018 with the road reopening not later than 6pm on Sunday the 1<sup>st</sup> of July 2018.

The remedial works are urgently required to prevent further deterioration in the road pavement at the western section of the roundabout. The works are being progressed on a 24-hour basis, under weekend working in order to minimise disruption to commuters and the cooperation of the motoring public is again requested while the works are being progressed.

- Proposals for pavement renewal and general upgrade works on the Sarsfield Road between Sarsfield Road Roundabout and Wilton Road Roundabout will be clarified in future updates.

If there are any queries or comments in relation to these upcoming works please contact us on (021)4520180 or on this email address.
