

N40/Dunkettle/Sarsfield Rd

Progress Update – 21st of December 2018

Dunkettle Interchange Project:

Upgrade Dunkettle to a largely free-flow interchange to alleviate traffic congestion.

- The site will be closed up from today the 21st of December.
- The site works will recommence on Monday the 7th of January 2019, focusing initially on continuation of ground investigation and on creation of further works access points.

Advance Works at Silversprings, Little Island:

Footpath construction and road resurfacing to regularise the traffic lanes in the area for both inbound and outbound traffic at Silversprings. Capacity improvement works in the Little Island Interchange area.

- Works here will also recommence on Monday the 7th of January 2018.
- Resurfacing of the eastbound lanes will be progressed to completion before the end of January with miscellaneous close out work items running on into February 2019.
- All on road works in 2019 will be progressed under night time working so no further traffic disruption is anticipated in this area as a result of our works.

Sarsfield Road Works:

Upgrading Sarsfield Rd to facilitate sustainable transport modes such as walking, cycling & public transport.

- Works are substantially complete with no further traffic disruption anticipated as a result of ongoing tidy up works.

N40 Intelligent Transport System

Installation of gantry mounted Variable Message Signs and other infrastructure to display traffic information such as journey times.

- The next phase of works under this heading will consist of construction of reinforced concrete bases and erection of metal works to carry the ITS installations themselves.
- We hope to appoint a Contractor to progress this main phase of works in Q1 2019.

N28 Works at Shannonpark, Raffeen Junction

- Contractor appointment for both of these contracts is still anticipated for January 2019 with the works themselves running on until May/June 2019.
- Further details to follow in January updates.

The next update will be on Friday the 4th of January 2019.

As always, if there are any queries or comments in relation to any of the work items set out herein please contact us on (021)4520180 or on roadconstruction@ccc-site.com
