- The main focus continues to be on developing the detailed design for the project.
- Offline advance work items will get underway before the end of this month with details to follow in future updates.
- Project team members are available to meet with staff of individual businesses in Little Island and environs – if this is of interest, please contact us.
- Scale model of the proposed scheme is available to view at the site office in Little Island during normal working hours.

As always, if there are any queries or comments in relation to any of the work items set out herein please contact us on 1800 810077 (at any time), on 0212021143 (during normal working hours) or on [roadconstruction@ccc-site.com](mailto:roadconstruction@ccc-site.com).
