

Dunkettle Progress Update

10th May 2019

Dunkettle Interchange Project:

Upgrade Dunkettle to a largely free-flow interchange to alleviate traffic congestion.

More information at www.dunkettle.ie

Layout of upgraded Dunkettle Interchange

- Detail design for the project is ongoing.
- A number of advance work items will get underway before the end of this month – Details to follow in next weeks update.
- Members of the project team joined with the NTA in meeting Jacobs staff in Mahon to set out traffic management plans for the main construction works.
- See photograph attached.
- Attach photo here!! Review Meeting at Jacobs Engineering.

- Project team members are available for further meetings with staff of individual businesses in Little Island and environs – if this is of interest, please contact us.

As always, if there are any queries or comments in relation to any of the work items set out herein please contact us on 1800 810077 (at any time), on 0212021143 (during normal working hours) or on roadconstruction@ccc-site.com. Further information on the Dunkettle Scheme can be accessed at www.dunkettle.ie. Real time traffic information can be accessed via www.dunkettletraffic.ie and further details on all national road schemes in the Cork area can be accessed via the Cork National Road Design Office website, www.corkrdo.ie
