- Detailed design of the Dunkettle Interchange Upgrade continues.
- Construction works are currently focused on the N40 ITS and Little Island upgrade projects, both of which aim to ease traffic congestion during the Dunkettle upgrade. More detail on these works is provided below.
- The Dunkettle team continue to visit workplaces to discuss the scheme, and measures to minimise traffic congestion during construction, with both management and workforces. We are very pleased to see that over 70 businesses in Little Island have signed up to form part of the NTA's *Little Island – Smarter Travel Cluster*. Any businesses that would like to get

involved to explore commuting alternatives is encouraged to contact michelle@corkchamber.ie
