

# Dunkettle Progress Update

*6th December 2019*

[More Information at www.Dunkettle.ie](http://www.Dunkettle.ie)

## Dunkettle Interchange Project - Dunkettle Live Traffic App

- The traffic app Dunkettle Live is now available as a free download on the Apple App store and Google Play store via the links below:
  - iOS: <https://apps.apple.com/ie/app/dunkettle-live/id1478286107>
  - Android: <https://play.google.com/store/apps/details?id=ie.dunkettletraffic>.
- Dunkettle Live has been developed to provide motorists with real-time traffic information for the major National Roads around Cork City over the coming years including the construction period for the Dunkettle Interchange Upgrade.

- The app provides live video streaming from the main approaches to the interchange and live journey times through the junction, to and from all of the major routes: M8, N40, N25, N8.

Key features of the app include:

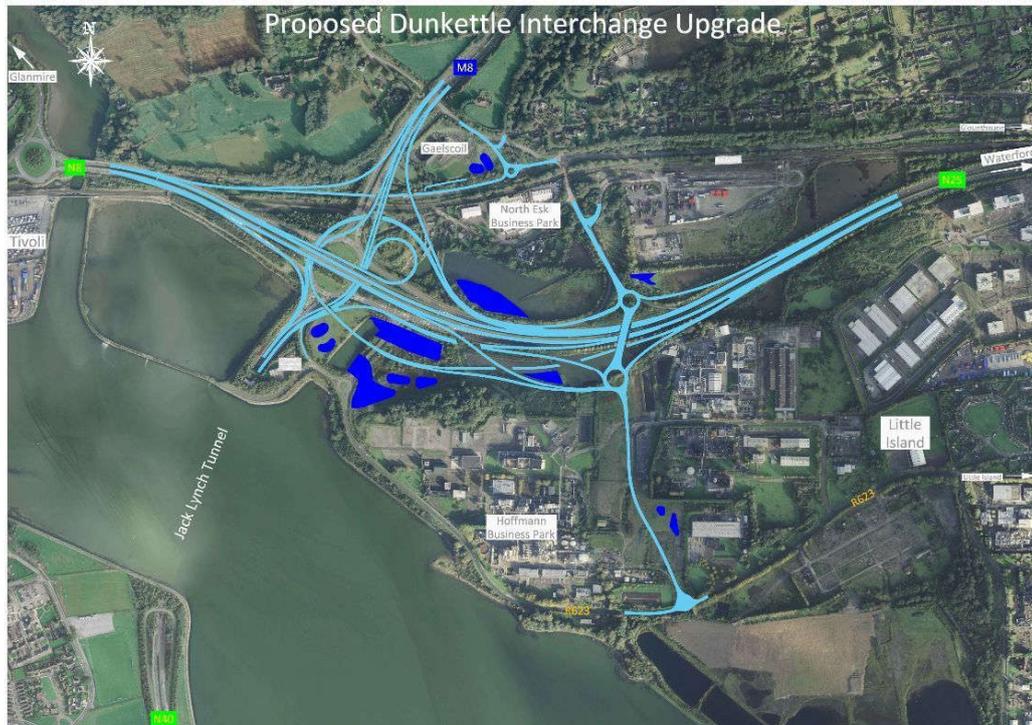

- How long will your journey take? – Check out the colour coded live journey times.
- Stay updated! – With notifications of live works and incidents.
- What's on? – Check out the calendar with scheduled works and events.

A short video demonstrating the functionality of the app can be viewed here [Dunkettle Live App Preview](#).

- It is hoped that this information may assist commuters with flexible working arrangements to re-schedule their journeys through the interchange to avoid peak traffic periods.
- Please forward comments to [roadconstruction@ccc-site.com](mailto:roadconstruction@ccc-site.com).

## Dunkettle Interchange Project - Advance Works

*Upgrade Dunkettle to a largely free-flow interchange to alleviate traffic congestion*

- Service ducting installation works required for necessary diversions of existing services are continuing throughout the site. The focus is on the North Esk area at present - see photograph below.

- Construction of a reinforced concrete slab required to protect the existing gas transmission main will get underway during week commencing Monday 9th December - this works area will be south of the N25 near the Pfizer premises.
- Preparatory works for the proposed pedestrian & cycle rail overbridge near Burys Bridge will commence next week, week commencing 9th December 2019.
- No significant disruption to traffic is anticipated over the coming period.
- Further details will follow in the normal way in future updates.

*Dunkettle Interchange Upgrade: Installation works for ESB diversion*

As always, if there are any queries or comments in relation to these works, please contact us at:

**Phone:** 1800 810077 (at any time),  
**Email:** [roadconstruction@ccc-site.com](mailto:roadconstruction@ccc-site.com).

Further information on the Dunkettle Scheme can be accessed at: [www.dunkettle.ie](http://www.dunkettle.ie).

Real time traffic information can be accessed via [www.dunkettletraffic.ie](http://www.dunkettletraffic.ie) or on the Dunkettle Live App ([Apple App store](#) and [Google Play store](#)).
