

Dunkettle Progress Update

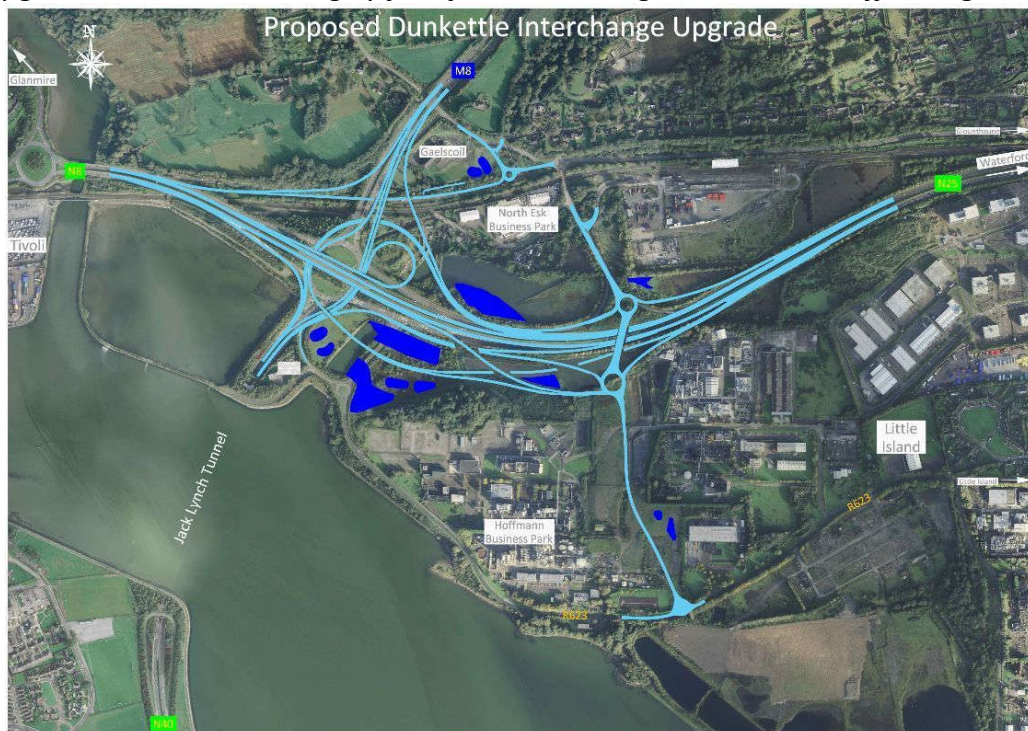

29th November 2019

[More Information at www.Dunkettle.ie](http://www.Dunkettle.ie)

Dunkettle Interchange Project - Advance Works

Upgrade Dunkettle to a largely free-flow interchange to alleviate traffic congestion

- Installation of service ducting for the diversion of ESB overhead power lines is ongoing with the current focus on the area of the site immediately west of the Pfizer/ Cara Partners premises. See photograph below.
- The next section of service ducting installation works will focus on the North Esk area, northeast of the existing Dunkettle Interchange Roundabout.
- Installation of a new watermain is continuing at North Esk and works here will continue into December. See photograph below.
- Site clearance works are nearing completion in the area immediately west of the M8. These site clearance works will continue intermittently throughout the site into early 2020.

- No significant disruption to traffic as a result of the upgrade works is anticipated over the coming period.

Dunkettle Interchange Upgrade: Installation works for ESB diversion

Dunkettle Interchange Upgrade: Watermain works continuing at North Esk

Dunkettle Interchange Project - Dunkettle Live Traffic App

- The traffic app **Dunkettle Live** will be available as a free download on the Apple App store and Google Play store from Monday, 2nd December 2019.
- This will hopefully assist commuters by making real time journey time information and real time information on traffic flows at various parts of the network readily available.
- The app will include live journey time data through Dunkettle Interchange to/ from key points on the major routes (M8, N40, N25, N8) colour coded in green, amber or red indicating the current traffic conditions.
- Live streaming footage of traffic conditions on main approaches to the Interchange as well as updates on any incidents or accidents which occur on the main approaches to the Interchange will also be available.
- We would welcome any comments/ suggestions regarding the app, with comments forwarded to roadconstruction@ccc-site.com.

As always, if there are any queries or comments in relation to these works, please contact us at:

Phone: 1800 810077 (at any time),
Email: roadconstruction@ccc-site.com.

Further information on the Dunkettle Scheme can be accessed at: www.dunkettle.ie.

Real time traffic information can be accessed via www.dunkettletraffic.ie or on the Dunkettle Live App ([Apple App store](#) and [Google Play store](#)).
