Dunkettle Interchange Upgrade Project

- Commuters are reminded that the Ibis slip-road between the Dunkettle Local Road and the M8 will be temporarily closed from tomorrow Thursday the 27th January 2021 at 10am.
- The M8 Southbound will then be reduced to 1 lane from approximately 12pm on tomorrow Thursday the 27th January 2022 – commuters using the M8 Southbound should allow additional time for their journey particularly during the morning peak.
- We intend to issue our weekly update as normal at around 12pm on Friday the 28th January. In addition, we will issue regular updates

over the next few days as we head towards opening of the new Structure ST08 on Sunday the 30th January 2022.

Surfacing works for new M8 Southbound lanes underway at the Interchange Roundabout.
