Link U, the free flow link from the N25 eastbound to the M8 northbound has now been opened to traffic – see photograph below

Traffic from Link U merging with the M8 northbound.

At Structure St01, works are progressing on the bridge deck – see photograph below. We expect that this structure will be opened to construction traffic over the coming days.

Installation of surfacing ongoing at Structure St01 over the N25.

No works are planned for the Bank Holiday Weekend with the exception of some minor Traffic Management modifications across the site. These will be progressed under night time working.

The columns at the northern side of Structure St08 will be progressed from Tuesday 03/05/22. We expect that all of these columns will be in place by W/C 09/05/22 – see photograph below.

Works being progressed at Structure St08 in advance of the upcoming column construction works.

In overall terms the works remain on track for completion by the due date of February 2024.

Ongoing works in the vicinity of the Dunkettle Interchange Roundabout

N40 Intelligent Transport Systems

Installation of gantry mounted Variable Message Signs and other infrastructure to display traffic information such as journey times.

Works next week will continue to focus on the commissioning of the new ITS equipment on the N40 northbound approach to the tunnel with no impact on traffic.
