

# Dunkettle Progress Update

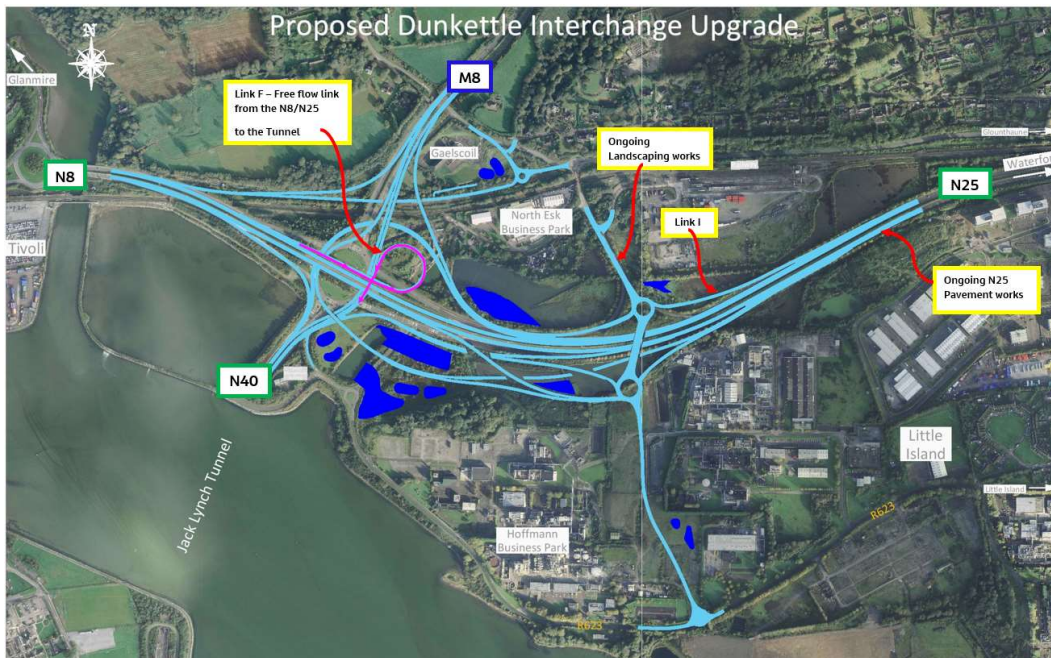

## *17th February 2023*

Twitter

Website

- Motorists are again reminded that speed control measures, coupled with CCTV monitoring are in place across the site and will remain in place over the coming months..

- Link I, which provides a new access to the N25 eastbound from both the Bury's Bridge roundabout and the R623 roundabout, opened to traffic last Friday afternoon 10th February 2023 – see aerial photo below.

**Link I – new access to the N25 eastbound.**

- Works are progressing well on what will ultimately be the new free flow Link F which will take traffic from the N8 / N25 eastbound to the Jack Lynch Tunnel heading westbound on the N40 – see progress photo below and also this week's video.

**Embankment construction being progressed at Link F alongside the N25 eastbound.**

- Night-time working associated with the N25 westbound pavement works will continue over the coming week. This will be followed by offline surfacing works in a number of areas on site with night-time surfacing of the N25 eastbound recommencing in early March 2023 – see photograph below.

Pavement works being undertaken at night on the N25 westbound.

- In overall terms, the works remain on track for completion by the due date of February 2024.

This week's video shows the ongoing embankment construction works on Link F which will ultimately form the new free flow link from the N8/N25 Eastbound to the Jack Lynch Tunnel.
