

Dunkettle Progress Update

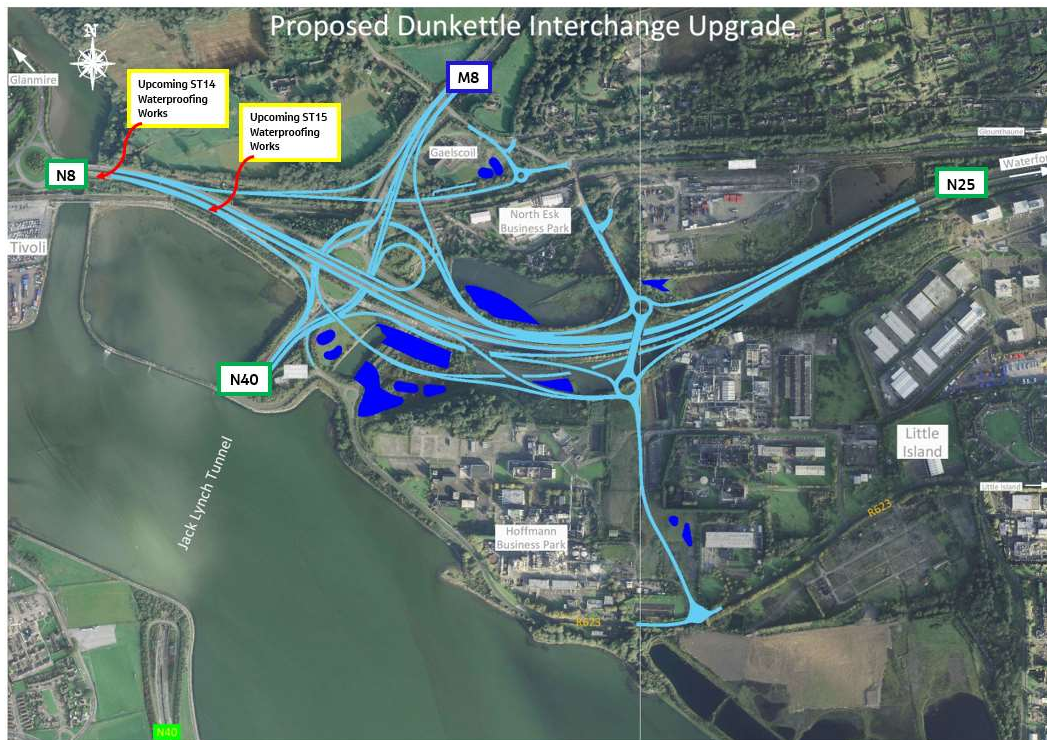

19th April 2023

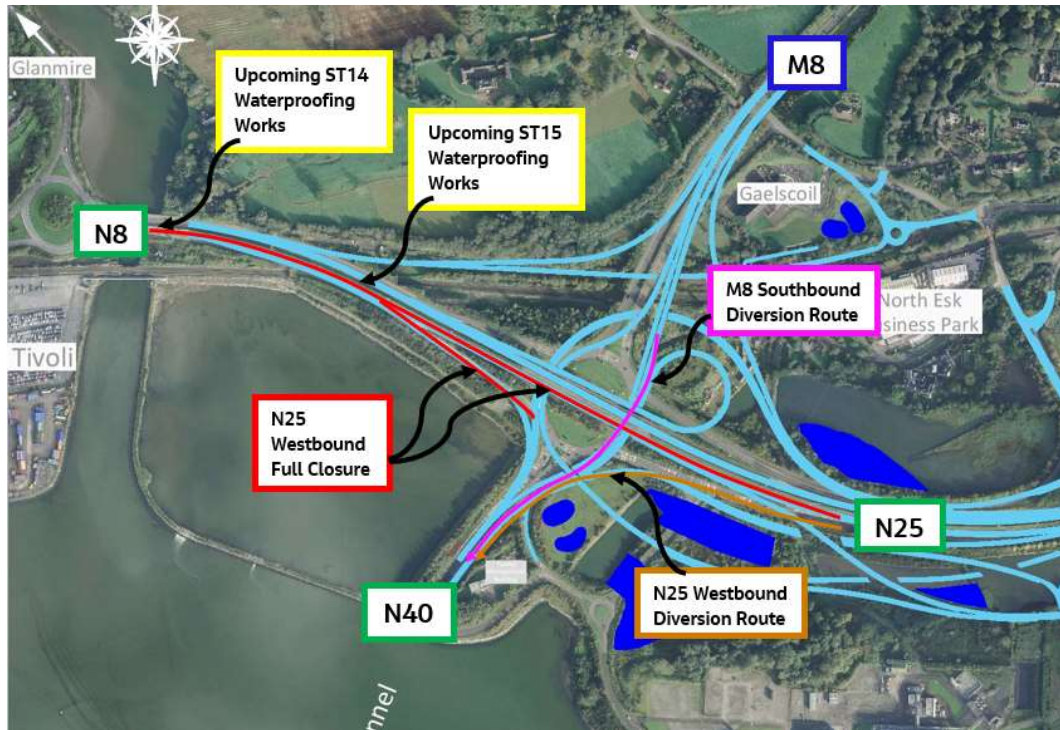

[Twitter](#)

[Website](#)

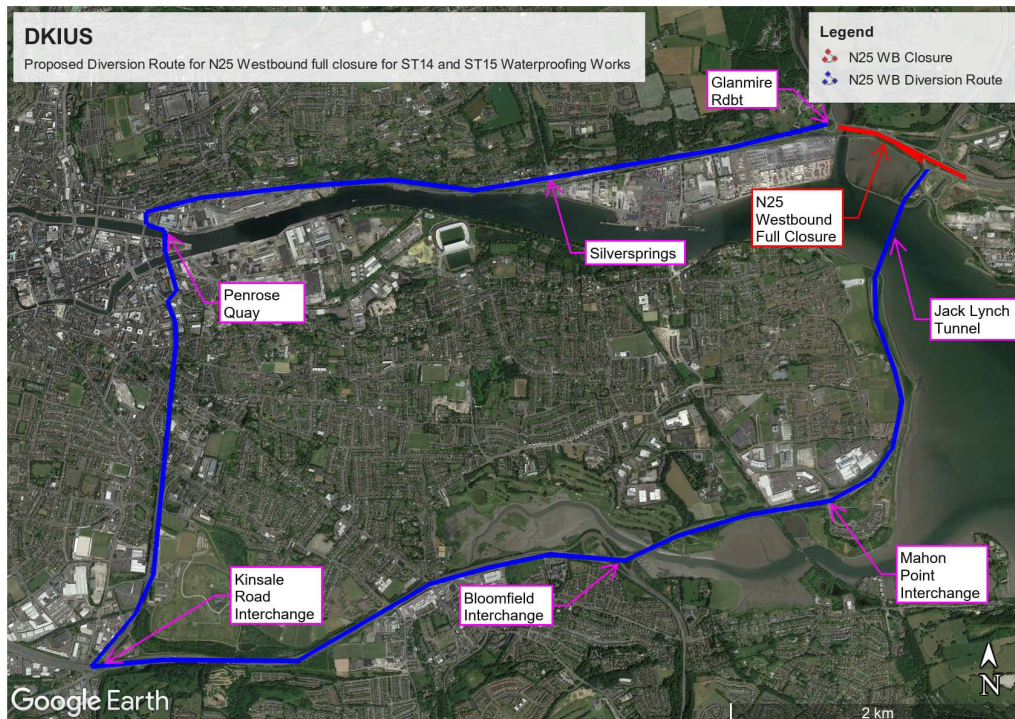

- We intend to go ahead with the bridge deck waterproofing works at Structures ST14 & ST15 over the coming weekend – see layout plan below (subject to there being no deterioration in the present weather forecast).

Waterproofing Works Location at Structures ST14 & ST15 on the N25 Westbound between the DKI Roundabout and the Glanmire Roundabout.

- The N25 westbound will be closed from 7:30pm on Friday 21st April 2023 to 9:00pm on Saturday 22nd April 2023 to facilitate the works with the main diversion route via the Jack Lynch Tunnel, N40 and the Cork City South Ring Road for the N25 and the M8 traffic (see layout plan below).
- Traffic approaching from the N40 and the N28 will be diverted via the Kinsale Road Roundabout and the Cork City South Ring Road.

Main Diversion route for the N25 Westbound closure.

- Obviously, the works are being carried out under night-time and weekend working in order to minimise the disruption to traffic. However, additional time should be allowed for journeys in the works area on Saturday afternoon in particular.

- We hope to fully complete the works required at Structure ST14 during the closure period. The works at Structure ST15 will be sufficiently advanced also to ensure that a second road closure will not be required – see photo below.

Upcoming Waterproofing Works at Structure ST14 on the N25 eastbound.

- We will issue updates as the works are progressed over the weekend via the usual channels.

- As always, if there are any queries or comments in relation to these works, please contact us at:
- Phone: 1800 810077 (at any time),
- Email: roadconstruction@ccc-site.com.
