

Dunkettle Progress Update

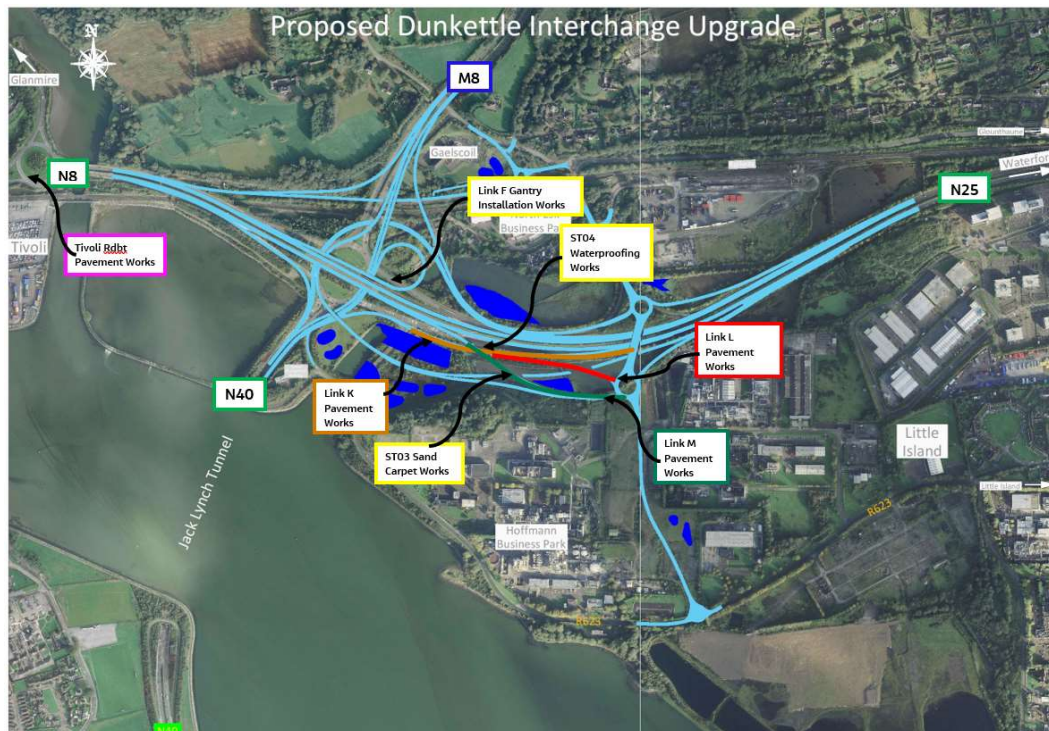

02nd June 2023

Twitter

Website

- Motorists are advised that speed control measures will be ramping up over the coming period with significant works planned over the summer months.

- Black sand carpet surfacing, which protects the bridge deck waterproofing, is now complete at Structure ST03 - see photograph below.

Structure ST03 sand carpet installation works.

- Waterproofing is being undertaken at various locations on site, with the bridge deck at Structure ST04 due to be undertaken in the coming period - see photograph below.

Upcoming Structure ST04 waterproofing works.

- Gantry installation has continued under night-time working all week with a number of gantries installed. The photograph below shows the gantry at Link F being installed.

Link F Gantry Installation under night-time working.

- Over W/C Tuesday 06th June, the focus of surfacing works will continue to be offline on Links K, L & M - see photograph below.

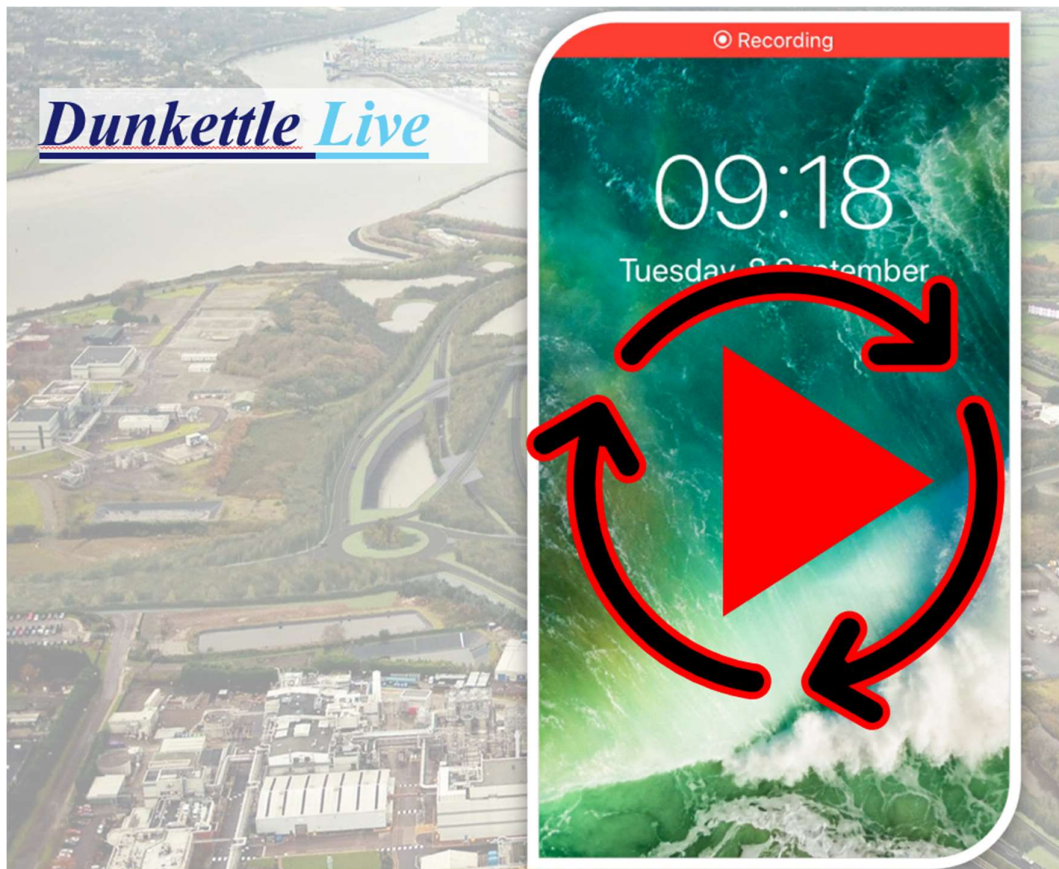

Upcoming surfacing works on Links L, K & M.

- Although it is not part of our Dunkettle Interchange Upgrade works, we are aware that the Tivoli Roundabout circulating carriageway and approaching carriageways will be resurfaced over the coming period. Works will be progressed under night-time working and motorists are advised that the N25 westbound will be closed on the nights of Tuesday 06th June and Friday 09th June. The N8 eastbound and R639 approach from Glanmire will be closed for night-time working on Tuesday 06th June and Wednesday 07th June - see photograph below.

This week's video shows the ongoing works at Structures ST03 & ST04 and on Link M, in the area south of the existing N25.
