- Speed control measures remain in place across the site in order to ensure the safety of the workers on site and also the road users.

- Maintenance crews only have been in place this week with the Contractor taking advantage of one week of the builders holidays. The full construction team will be back on site from Monday 31st July 2023.

- The initial focus for the works next week will be in the area of the old Interchange roundabout - see photograph below.

Upcoming works for Links C, D & M at the old Interchange Roundabout
