

Dunkettle Progress Update

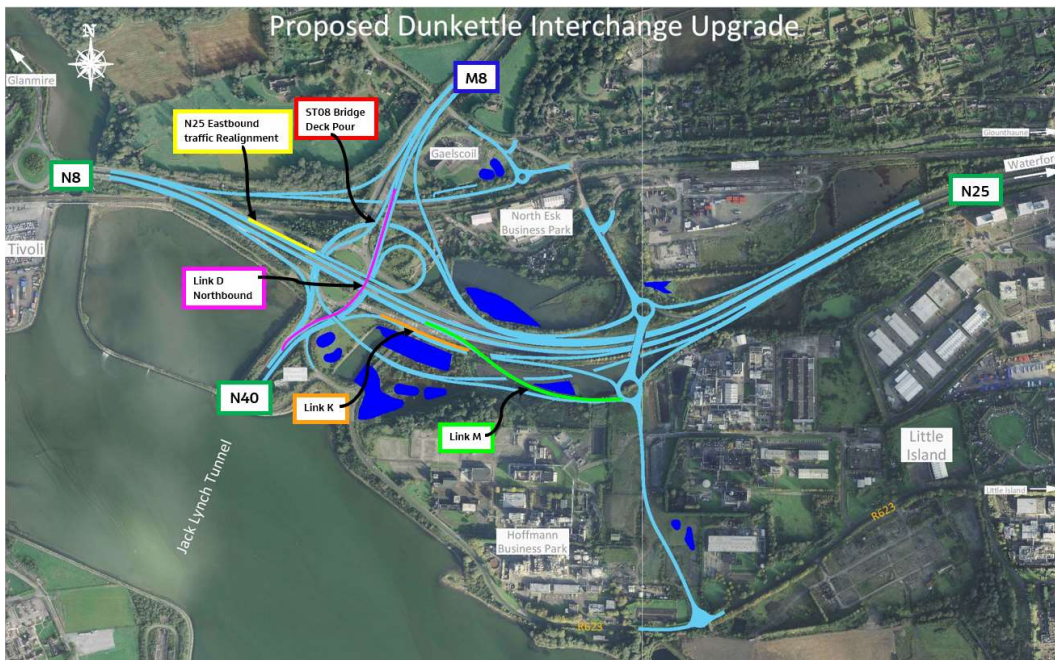

04th August 2023

[Twitter](#)

[Website](#)

- Motorists are reminded that speed control measures are in place across the site in order to ensure the safety of the workers on site and also the road users.

- The second of three deck pours at Structure ST08 was successfully completed under night-time working on the night of Thursday 3rd August 2023 – see photograph below.

Completion of the bridge deck pour at ST08 ongoing

- Earthworks associated with the tie-in of Link M to the N25 Westbound and the completion of the full width of Link K is ongoing in the area west of Structure ST04 – see photograph below.

Earthworks being progressed for Link M and Link K alongside the N25 Westbound

- N25 Eastbound traffic will be realigned overnight on Monday 7th August 2023 in the area immediately east of the Tivoli Roundabout – see photograph below. This is required in order to allow the completion of the installation of services and safety barriers on the N25 Eastbound.

New lane configuration to be implemented on the N25 Eastbound

- We expect that the new Link D (Northbound) will open to traffic early in September 2023. Works are currently ongoing in this area – see photograph below along with this week’s video.

Works ongoing at Link D northbound in the area of the old Dunkettle Interchange Roundabout

This week's video shows the proposed new alignment for Link D Northbound which will take traffic from the Jack Lynch Tunnel to the M8 upon completion
