[Website](#)

- Motorists are reminded that speed control measures are in place across the site in order to ensure the safety of the workers on site and also the road users.

- The N25 Westbound layout will be adjusted under night-time working during W/C 14th of August 2023. We expect that the works will include the removal of the existing temporary “Yield” arrangement in the vicinity of Junction 2 at the Little Island Flyover.

- Earthworks associated with the construction of Link K & Link M alongside the N25 Westbound is ongoing - see photograph below.

Earthworks ongoing for Links K & M alongside the N25 Westbound.

- There will be a particular focus on the remaining N25 Westbound works over the coming weeks. Works required include bridge deck waterproofing, safety barrier installation and surfacing works – see photograph below. Our aim here is to reinstate all N25 Westbound lanes during September 2023.

Safety Barrier Installation ongoing on the N25 Westbound.

- The Tour de Munster Charity cycle is ongoing at the moment and passed through the Dunkettle Interchange Site yesterday morning (see photograph below) on their way to Lismore in County Waterford as part of their first leg of the 4-day 600+km cycle which benefits various charities including Down Syndrome Ireland.

Tour de Munster cyclists passing the Dunkettle site via the N25 Eastbound.

This week's video shows the ongoing works in the vicinity of the old Dunkettle Interchange Roundabout.
