

Dunkettle Progress Update

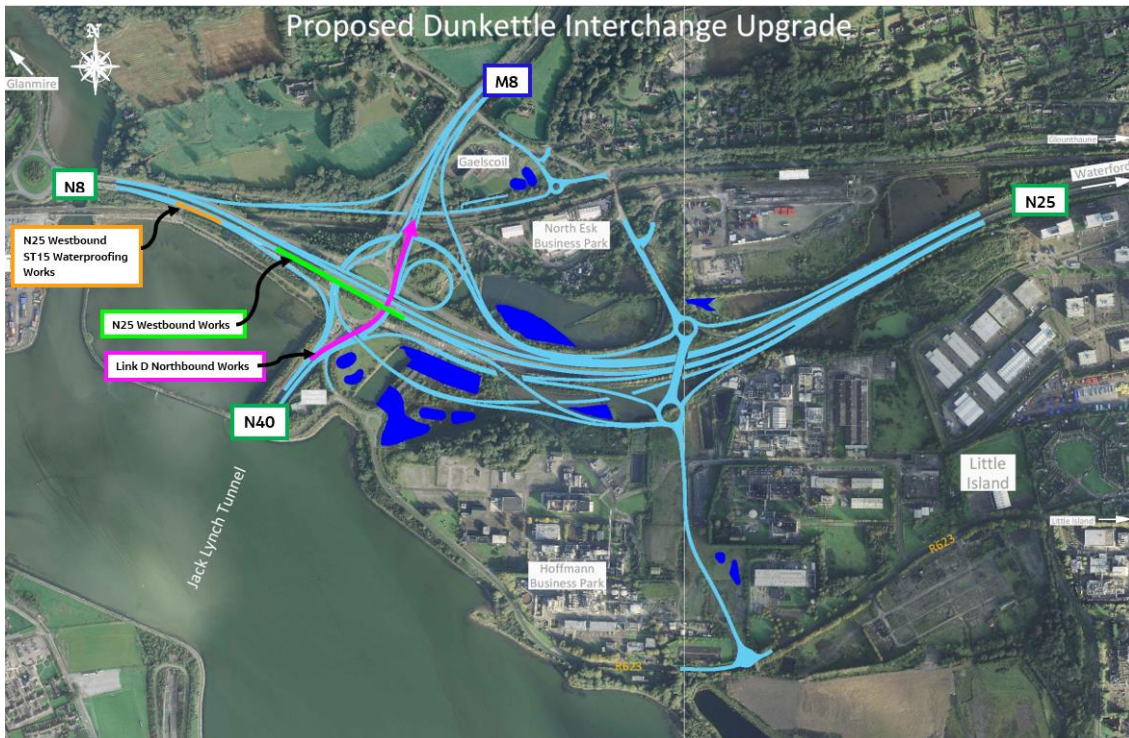

1st September 2023

[Twitter](#)

[Website](#)

- Motorists are reminded that speed control measures are in place across the site in order to ensure the safety of the workers on site and also the road users.

- During the week commencing Monday 4th September 2023, there will be a focus on the completion of the surfacing works on the N25 westbound with a view to ensuring that all lanes in this area are fully reopened to traffic by mid-September 2023 – see photograph below.

Upcoming pavement works on the N25 westbound.

- There will also be a focus on surfacing works on Link D northbound (see layout plan and photo below) which is the proposed new free flow link road from the Tunnel to the M8 northbound. We also hope to open this link road to traffic by mid-September 2023.

Link D Northbound – the new free flow link from the Tunnel to the M8 northbound.

Ongoing preparatory works for the upcoming Link D northbound pavement works.

- Waterproofing works are ongoing at Structure ST15 on the N25 westbound - see photograph below.

Waterproofing works ongoing at ST15 on the N25 Westbound.

This week's video shows the ongoing works on the N25 Westbound as part of the Dunkettle Interchange Upgrade Scheme
