[Website](#)

- Motorists are reminded that speed control measures are in place across the site in order to ensure the safety of the workers on site and also the road users.

- Link D, the new N40 to M8 northbound free flow link road was opened to traffic on the night of Tuesday 12th September 2023 – see photograph below.

New Link D N40 to M8 Northbound free flow link opened to traffic this week

- Minor modifications to the lining on the N40 approach to the new link D and the old Interchange roundabout will be completed over the coming days during the scheduled night-time full Tunnel closures of the N40 northbound on the nights of Tuesday 19th, Wednesday 20th and Thursday 21st September 2023 from 21:00 to 05:00 each night.

- In order to facilitate completion of works on the western side of what was formerly the Interchange Roundabout, N40 traffic heading for the N25 eastbound will be slightly realigned to the east during W/C Monday 18th September 2023 - see photograph below.

Upcoming realignment of traffic on the N40 approach to the old DKI Rdbt

- Night-time closures of the N25 westbound will continue into next week until all N25 westbound lanes are fully opened to traffic - see layout plan below.

N25 Westbound Full Closures between the Dunkettle Interchange and the Glanmire Roundabout

- Works are also ongoing on site for the completion of Link K and Link M alongside the N25 westbound – see photograph below.

Ongoing construction of Link K and Link M alongside the N25 westbound

This video below shows the new alignment for Link D Northbound which takes traffic from the N40 / Jack Lynch Tunnel to the M8
