

# Dunkettle Progress Update

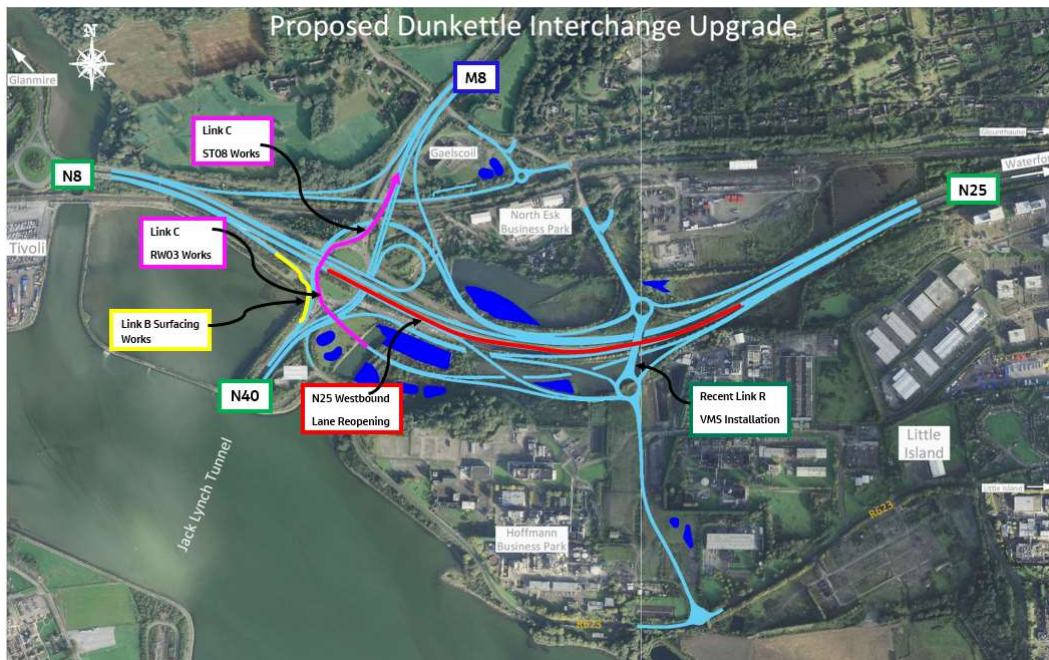

## *20th October 2023*

Twitter

Website

- Weather conditions over recent weeks have obviously impacted on the ongoing works. We now hope to reopen all N25 westbound lanes between the Little Island Interchange and the Dunkettle Interchange Bridges before the end of next week, Friday 27th October 2023 - see photograph below. The N25 westbound lanes will then reopen fully as far as the Tivoli Roundabout during W/E Friday 3rd November 2023.

**Upcoming reopening of the N25 westbound lanes**

- The works focus on the completion of Link C in the vicinity of the old Interchange Roundabout area will continue over the coming months. The previously installed piles have been exposed and steel fixing works for the Retaining Wall (RW03) foundation is underway – see photograph below.

Steel fixing works ongoing at Retaining Wall RW03.

- Also on Link C, the installation of precast concrete parapet walls is well underway at Structure ST08 – see photograph below.

**Parapet walls installed at Structure ST08 west for Link C**

- Following on from the completion of the surfacing works on Links A, B, K & M (see photograph below), the next stage of surfacing works will get underway in mid-November 2023.

Surfacing works being completed on Link B under night-time working

- All of the new VMS signs required for the Interchange Upgrade have now been installed. These will be brought in to use on the scheme over the coming months.

Upcoming VMS commissioning works
