

Dunkettle Progress Update

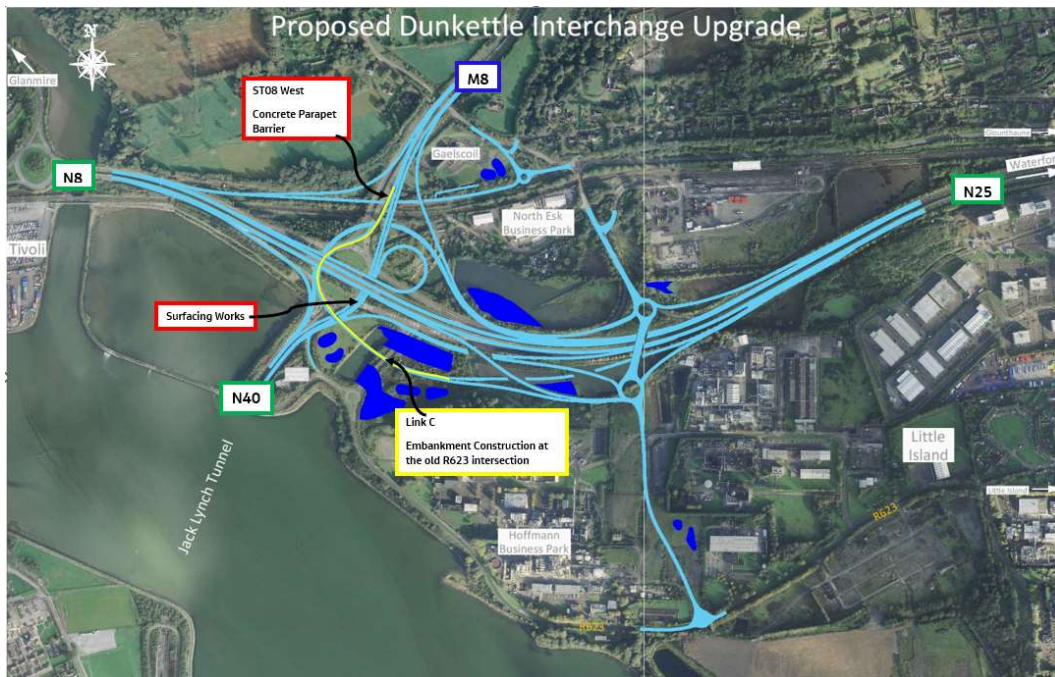

24th November 2023

Twitter

Website

- Surfacing works have advanced since the last update in the vicinity of the old Dunkettle Interchange Roundabout – see photograph below. Further surfacing works will be carried out during the upcoming scheduled Jack Lynch Tunnel maintenance closures.

Surfacing Works ongoing on site in the vicinity of the old Interchange Roundabout

- The main earthworks element at present is the construction of the Link C embankment which is ongoing at the intersection of Link C with the old R623 – see photograph below.

Embankment Construction Works ongoing for Link C

- Works between Structure ST05 and Structure ST08 West (also on Link C) are also being progressed, these works will continue until January 2024. The installation of the concrete parapets at Structure ST08 is nearing completion – see photograph below.

Installation of concrete parapets at Structure ST08 West
