

# Dunkettle Progress Update

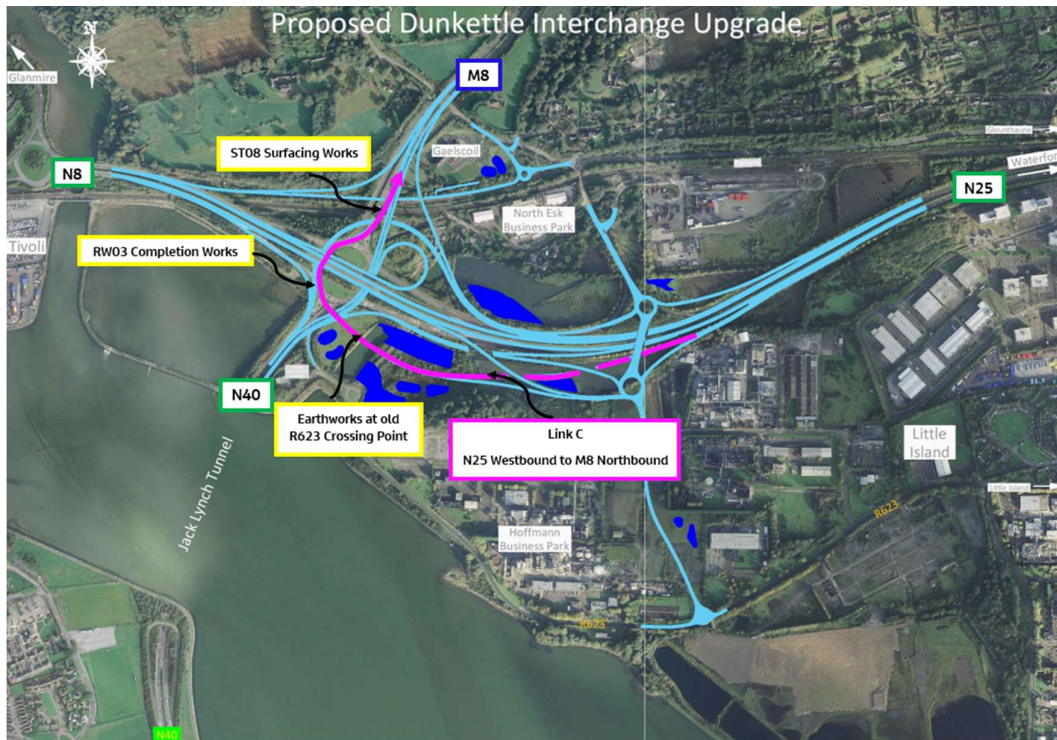

## *15th December 2023*

Twitter

Website

- The main construction focus continues to be on Link C, which will cater for the N25 westbound to M8 northbound movement.

- Earthworks / Pavement works are continuing on the section of Link C at the crossing point with the old R623 – see photograph below.

**R623 / Link C crossing point – Earthworks approaching completion and ongoing Pavement works**

- Works on Retaining Wall, RW03 (required to address the level difference between Link C and Link A), are effectively at substantial completion and we expect to reach full completion under this heading before the Christmas break – see photograph below.

**RW03 works approaching completion**

- At Structure ST08, initial surfacing works have been progressed and these works will continue into 2024 – see photograph below.

**Surfacing works at Structure ST08 (West) on Link C**

- During week commencing Monday the 18th of December 2023, there will be a focus on closing up the site for the Christmas break. The site will close on Thursday the 21st of December 2023 and will reopen on Wednesday the 03rd of January 2024.
- Our next Progress Update will issue on Friday the 05th of January 2024.

- In overall terms, works remain on track for completion by the due date of February 2024.
